Dr. Townsend's Sarsaparilla.

THE MOST EXTRAORDINARY MEDICINE IN THE WORLD. This Extract is put up in quart bottles; it is 6 times cheaper, pleasanter, and warranted superior to any sold. It cures diseases without vomiting, purging, sickening or debilitating the patient GREAT FALL AND WINTER MEDI CINE.

The great beauty and superiority of this Sar-saparilla is, where it eradicates diseases it invig-orates the body. It is one of the very best Fall orates the body. It is one of the very best Fall and Winter medicines ever known; it not only purifies the whole system and strengthens the person, but it creates new, pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the last two years more than 35,000 cures of severe cases of disease, at least 20,000 of these were considered incurable. More than 3,000 cases of Chronic Rheumatism.

2,000 cases of Dyspepsia; 4,000 cases of General Debility and Want of

Energy; 7,000 cases of the different Female Complaints 2,000 cases of Scrofula; 1,500 cases of the Liver Complaint 2,500 cases of Disease of the Kidneys and

ropsy; 8,000 cases of Consumption; And thousands of cases of diseases of the blood viz: Ulcers, Erysipelas, Salt Rheum, pimples on the Face, &c. &c., together with numerous cases of Sick Headache, Pain in the side and Chest,

Spinal affections, &c. &c.
This, we are aware, must appear incredible but we have letters from Physicians & our Agent from all parts of the United States, informing us of extraordinary cures. R. Van Buskirk, Esq. one of the most respectable Druggists of New-ark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the City of New York. which we will refer to with pleasure and to me of character. It is the best medicine for the pre ventive of disease known. It undoubtedly saved the lives of more than

5,000 CHILDREN THE PAST SEASON As it removed the cause of disease, and prepar-ed them for the Summer season. It has never been known to injure in the least the most deli-cate child.

RHEUMATISM.

This Sarsaparilla is used with the most perfec success in Rhenmatic complaints, however se vere or chronic. The astonishing cures it has erformed are indeed wonderful. lies sometimes give tomporary relief, this entire y eradicates it from the system, even when the imbs and bones are dreadfully swollen.
